COMMISSIONER'S REPORT.

TO THE CITIZENS OF STRAFFORD COUNTY:

In accordance with the laws of the State of New Hampshire, herein is contained the report of the County Commissioners for the year ending Dec. 31, 1912, together with a statement of the financial standing of the county and a report of the various County officers.

The County Farm we have continued under the management of Mr. Edward A. Willand as Superintendent and Mrs. Edward A. Willand as Matron. Their long experience in this branch of work has made their services valuable to the County.

The stock at the Farm is being improved in quality and includes 50 head of well bred cows. The Farm itself is being kept in as good condition as is possible, for we feel that it is necessary to keep it up so that it may produce enough to supply the institution. The slight increase in the cost of board per week from \$2.65 in 1911 to \$2.79 in 1912, can be attributed only to the high cost of eatables, grain and coal and all other such things as the farm is obliged to use in large quantities.

The farm buildings have needed very little in the line of repairs this past year. The Alms House and Power House have had little or nothing done to them, while the House of Correction has been painted on the inside at practically the cost of the material.

At the cow barn we have been very economical in the repairs, only doing such work as is extremely necessary, as we are in hopes of getting an appropriation for a much needed cow barn, for the one now in use is sadly in need of repairs.

COUNTY POOR AWAY FROM FARM.

Giving aid to those who have a settlement on the County is a problem that requires personal investigation in every case, and in no part of a Commissioner's work is there greater need for care than in determining whether those seeking aid are deserving or not, as there are those who seek help making no personal effort to get their own living, or to provide for those dependent upon them, and it is only after a thorough investigation has been made that County aid is given if the applicants are found worthy of help, while we stand ready to spend the County's money where the occasion warrants, we are loath to be trapped by those not deserving. The increase in pensions paid soldiers has helped to keep down the expense of this department.

SUPPORT OF CHILDREN IN FAMILIES.

Under this heading comes one of the troubles of a Commissioner, for placing children in suitable homes and seeing that they receive the proper care means as far as is possible a personal investigation, and this requires time with little or

no visible results, but which means a great deal to the children. The expense of this branch we have been able to keep below that of last year.

Report of the Superintendent of Strafford County Farm and House of Correction.

DOVER, N. H. JANUARY 1, 1913.

TO THE BOARD OF COUNTY COMMISSIONERS:—

GENTLEMEN:—I herewith submit my report as Superintendent of the Strafford County Farm and House of Correction for the year ending, Dec. 31, 1912.

During the year we have been called upon to make many needed repairs such as laying new pipe to the barn, new valves and repairs at the boiler house, new steam pipes in the almshouse, covering pipes in the corridors, and rebuilding the ice house. It was necessary, also, to build a new pump house.

The very late and rainy spring caused almost the entire loss of the potato crop and a large cut down of the corn crop. Our dairy is the best it has been and will show an increase for the year to come, I think.

Nearly all of our inmates are old and feeble calling for more care and better hospital room.

My assistants all merit the "Well done." I take pleasure in thanking them publicly.

Dr. Morin has been most faithful to duty; always responding willingly when his services have been needed. The visits of our Chaplain, the Rev. Mr. Cummings, and the friends whom he has from time to time brought with him have been bright spots in the lives of our aged and infirm people. In truth all have been made happier by their coming. We are grateful to both for their assistance.

To you, gentlemen, for your uniform kindness, wise counsel and active co-operation in all my work, I return sincere thanks.

Respectfully submitted,
EDWARD A. WILLAND, SUPT.

GENTLEMEN:—I herewith submit to you my report for the year ending Dec. 31, 1912.

The usual number of chronic and incurable cases were treated with good results. The number of acute and accident cases were comparatively few with a very small number of fatalities. On the whole I believe that we had a very successful year.

I wish to thank Mr. and Mrs. Willand and our nurses for their courteous treatment and efficient help. To you, gentlemen, I am indebted for your kind co-operation and courtesies in all matters.

There were twenty-seven deaths during the year of which ten were over 80 years old. The number of births was 2. Average age at death $65\frac{1}{2}$ years,

Physician to Strafford County Farm.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:—

GENTLEMEN:—The following report for the County Jail is respectfully submitted. The usual sickness and diseases found in such institutions have prevailed. One death. No epidemics. Everything possible has been done for the comfort of the inmates.

J. D. O'DOHERTY, M. D.

REPORT OF CHAPLAIN.

TO THE COMMISSIONERS AND CITIZENS OF STRAFFORD COUNTY:—

It becomes a duty and pleasure, as chaplain of your County Farm to give my report at this time. The work of the past year has been continued along much the same lines as in the past years. The holding of divine service in the Chapel, the visiting of the sick and helpless ones in their rooms, the carrying to them of helpful and interesting literature, the singing of some familiar hymn, the cheerful, hopeful word, taking to them the sweet voiced singers who have so kindly assisted me in my work, voicing a prayer for God's blessing when it would be acceptable; this is an outline of my work for you in the year past. Few of you who have never experienced the conditions which must inevitably surround the inmates of your institution realize what it has meant, and does mean to these people to hear the sweet voices of the singers who have so kindly given of themselves for the work.

The words of appreciation expressed by the recipients of the favors which have been conferred, ought to be known to you Citizens and Commissioners who have made such possible.

I would tender my sincere thanks and express my appreciation for the kindness and courtesy which have been shown me by the Commissioners, the Superintendent and his wife, the nurses, the organist and all connected with the institution; also to those who have assisted in the singing, and to all who have contributed literature for the work. To the members of the W. C. T. U., for their visit. The repairs on the Chapel are much appreciated by those who enter the room. If I were to make a comment here it would be that the past year or years, should lead the Citizens to feel proud of the management of their County Farm.

EDWARD W. CUMMINGS, Chaplain
